SPAIN-THAILAND INNOVATION FORUM

“Harnessing the potential of NANOTECHNOLOGY: **FUTURE HEALTH, PERSONALIZED MEDICINE AND WELLBEING**”.

Date & Time: 12th July, 2024 / 09:00 – 14:00 THA (Thailand standard time)

Venue: Ballroom A, 1st Floor, Mandarin Hotel (662 Rama IV Rd, Bang Rak, Bangkok 10500)

PROGRAM:

09:00-09:05 (05´)

Welcome by MC

Reference to title of the event, organisers, objective of the session, program and house rules.

09:05-09:20 THA (15´)

Distinguished Speakers and Inauguration

- H.E. Mr. Felipe DE LA MORENA, Ambassador of Spain to the Kingdom of Thailand.
- Representative, Ministry of Higher Education, Science, Research and Innovation (MHESI), Thailand.

[Group photos]

09:20-09:50 THA (30´)

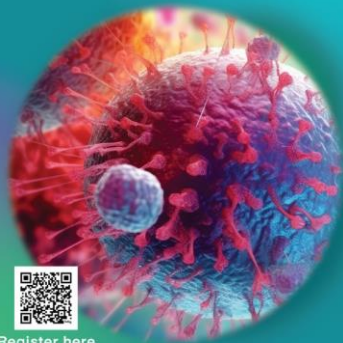

Overview of R&D capacities, leadership, and infrastructure in Health & Nanomedicine. Role of Global R&D Partnerships & Open Innovation Cooperation

Thai perspective (15´)

- Assoc. Prof. Dr. Thongchai SUWONSICHON, Director Program Management Unit for Competitiveness (PMUC), Thailand.
- Prof. Dr. Sansanee CHAIYAROJ, Chairperson, Health and Medical Program, Program Management Unit for Competitiveness (PMUC), Thailand.

Spanish perspective (15`):

- Mr. Carlos DE LA CRUZ, Director of Technology and Internationalisation, CDTI- Ministry of Science, Innovation and Universities, Spain.
- Ms. Teresa SANCHIS, Executive Coordinator, Spanish Technological Platform for Nanomedicine (NANOMED).

09:50-10:20 THA (30')

High-Level Roundtable Envisioning the Future of Health and the Opportunity for Cooperation: Harnessing the potential of nanotechnology in Precision Health, Personalized Medicine, and Wellbeing.

Proposed list of panellists:

- Dr. Sonpong DEECHONGKIT, Chairman of the Executive Committee, **SIAM BIOSCIENCE**, Thailand.
- Prof Aitziber L. CORTAJARENA, Scientific Director, Center for Cooperative Research in Biomaterials, **CIC-BIOMAGUNE**, Spain.
- Dr. Wannee Chinsirikul, Executive Director, **NANOTEC**, Thailand.
- Prof. Jesús MARTÍNEZ DE LA FUENTE, Group of Biofunctional Nanoparticles and Surfaces, Institute of Nanosciences and Materials, **INMA** and member of the Consortium **CIBER-BBN** network, Spain.

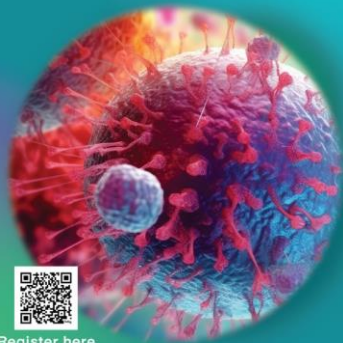

Moderator (tbc):

Prof. Dr. Sansanee CHAIYAROJ, Chairperson, Health and Medical Program, Program Management Unit for Competitiveness (PMUC), Thailand.

10:20-10:45 THA (25´) / Coffee Break

Organised by:

SPAIN-THAILAND INNOVATION FORUM

Harnessing the potential of Nanotechnology in Future Health, Personalized Medicine and Wellbeing

10:45-11:45 THA (60´) - Technical Session 1

Research and innovation capacities in Nanotechnology applications for Future Health, Personalized Medicine and Wellbeing. Pitching of Ideas for New Projects and Strategic Alliances

- Mr. Víctor R. DE LA ROSA, Product and Project Manager, CUREPATH, Spain (10´).
- Dr. Doungkamol ALONGKRONRUSMEE, Business Strategy Manager, SIAM BIOSCIENCE, Thailand (10´).
- Ms. María DE LA FUENTE, CEO & CSO, DIVERSA TECHNOLOGIES, Spain (10´).
- Dr. Paisan KHANCHAITIT, CEO & CTO, SPIKE ARCHITECTONICS, Thailand (10´).
- Mr. Manuel RODRÍGUEZ, Cofounder & Chairman, NANOLIGENT, S. L., Spain (10´).

.....
Q&A (10 mins)

11:45-12:45 THA (60´) - Technical Session 2

Research and innovation capacities in Nanotechnology applications for Future Health, Personalized Medicine and Wellbeing. Pitching of Ideas for New Projects and Strategic Alliances

- Mr. Santi SALA, CEO & Co-founder, NANOMOL TECHNOLOGIES, Spain (10´).
- Ms. Kittima LEKMANEE, Head of Research, NABSOLUTE, Thailand (10´).
- Ms. Oihane IBARROLA, Deputy Manager for Projects Execution, BIOKERALTY, Spain (10´).
- Mr. Robert James McEvoy, CEO, SAHARA DRY, Thailand (10´).
- Dr. Tawin IEMPRIDEE, CEO & CTO, KRONOLIFE, Thailand (10´).

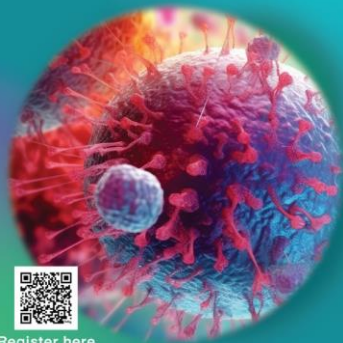

.....
Q&A (5 mins).

12:45-13:00 THA (15´)

Thailand – Spain bilateral Framework promoting and funding Innovation-driven R&D cooperation: Thailand & Spain Innovating Program (TLSIP) (15´)

- Assoc. Prof. Dr. Chaleeda Borompichaichartkul, Deputy Director, Program Management Unit for Competitiveness (PMUC), Thailand.

Organised by:

SPAIN-THAILAND INNOVATION FORUM

Harnessing the potential of Nanotechnology in Future Health, Personalized Medicine and Wellbeing

Register here

- Mr. Adrián Gutiérrez, Research and Innovation Counsellor, Embassy of Spain Beijing (China), Chief Representative of CDTI-Ministry of Science, Innovation and Universities to China and Southeast Asia (Thailand, Indonesia, Malaysia).

Closing Remarks.

13:00-14:00 THA Networking Lunch hosted by CDTI-Ministry of Science and Innovation, Spain (Krua Luang Restaurant, Ground Floor, Mandarin hotel)

14:00 – 16:00 THA B2B, R2B, R2R meetings (Ballroom A, 1st Floor, Mandarin Hotel).

You are also invited to join Cutting-edge Nanotechnologies for Good Health and Well-being

A joint International scientific Conference Funded by Chulalongkorn University (Thailand), MSCA-RISE OXIGENATED project through CIC biomaGUNE (Spain) and supported by the Embassy of Spain in Bangkok and CDTI-Ministry of Science, Innovation and Universities, Spain

9th – 11th July, 2024

Venue:

- Inauguration (Day 1 09.07.24): CU Music Hall, Chulalongkorn University, Bangkok.
- Conference (10-11.07.24): Mandarin Hotel (662 Rama IV Rd, Bang Rak, Bangkok 10500)

Co-organised by: TH: Chulalongkorn University / ES: CIC-BIOMAGUNE

With support of:

EU MSCA / MHESI, PMUB and PMUC

Embassy of Spain in Bangkok, CDTI-Ministry of Science, Innovation and Universities, Spain
